

# Anthem Country Club

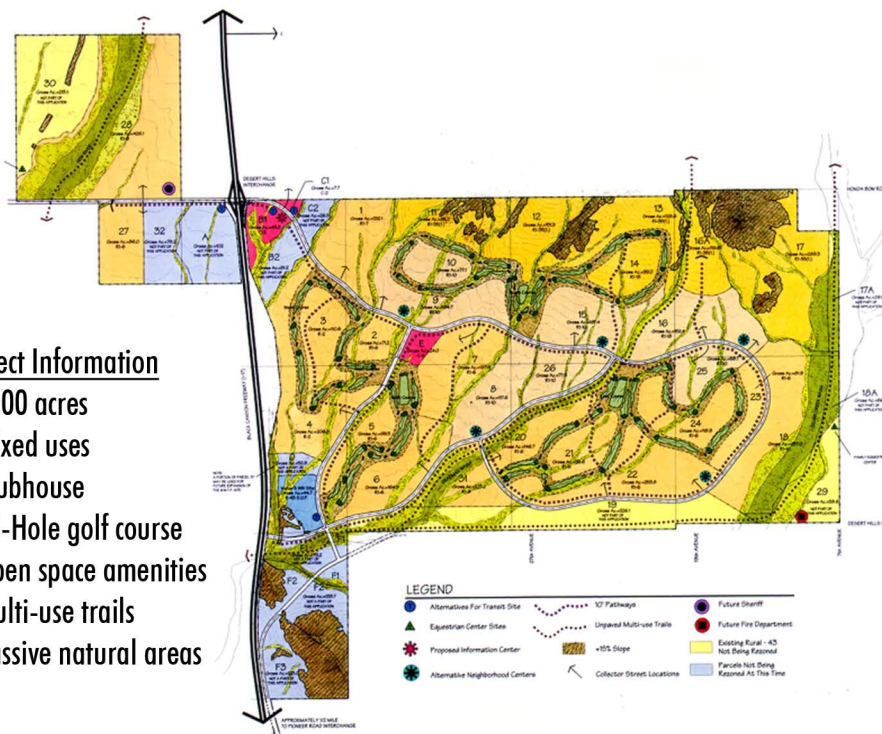

# Anthem, Arizona

**A**nthem Country Club is a gated, master planned community located north of Phoenix. The project was planned to carefully preserve natural wash corridors and open space with a strong mix of uses and trail systems.

LVA provided award winning comprehensive community master planning, zoning, landscape design of the streetscape for Club Drive, Phase I and Phase II, for each subdivision within the Country Club community, landscape and hardscape design for the Anthem Golf and Country Club, and design for the entry sign monumentation, mailbox clusters, and headwall and bridge railing for each subdivision.
