

Carden Traditional School Expansion Surprise, Arizona

Operated by the Learning Matters Educational Group, The Carden Traditional School Surprise campus is a K-6 charter school established in 2003 and currently serves approximately 500 students. LVA was contracted to design a future campus expansion program and site plan to double the size and student capacity of the existing campus facilities, provide a gym/ multi-purpose space and additional playground and sports field areas.

Project Information

- Site Area: 12 acres
- Total proposed classrooms: 48 (1200 students)
- Two multi-use sports fields and outdoor playground areas

LVA's responsibilities include site planning, special use permit modifications, landscape architecture, city review process management and project team coordination.
