

Fountain Hills Resort

Plans for the Fountain Hills Resort and Conference Center anticipate a Four Star, state of the art facility which will be located on one of the most prominent locations in Fountain Hills. It will be the cornerstone of Fountain Hills' image as a resort destination in the Valley of the Sun.

LVA's responsibilities included the overall theming and conceptual landscape plans as well as creating character images of the resort grounds and amenity features.

Fountain Hills, Arizona

The Resort is planned to have 270 suites including luxury penthouse units, meeting rooms, underground parking, two swimming pools, intimate outdoor gather spaces with multi level terraces and outdoor fire places, a world class spa as well as walking trails throughout the 60 acre site providing the opportunity for an Arizona experience.

Project Information
