

Kierland is a nationally known master planned community in Northeast Phoenix that encompasses a broad range of housing, a golf course and club, a distinctive and vibrant retail center, mixed use and multi-family districts, a world-class resort and a significant employment center. The Master Plan was carefully conceived as a community where residents could live, work and play.

Project Information

- Approx. 750+ acres
- Mixed Use Development
- World-class resort
- Golf Course & Club
- Land Use Master Planning

LVA provided the initial site research and analysis, stakeholders design charette, land use master planning, rezoning services, and golf course routing plan. LVA continued with the team of architects and planners to make the project a success.
