

Old Oak Lane at Marley Park

Surprise, Arizona

Old Oak Lane at Marley Park is a project located in the heart of the Marley Park Master Planned Community in Surprise, Arizona. The project consists of 156 condominium units surrounding a private looped access way. The project neighbors the Marley Park Elementary school and provides unobstructed open-space access to the adjacent community park.

LVA provided conceptual and formal site planning, landscape and hardscape design, landscape construction documents and coordinated the City approvals.

Project Information

- 15 acres
- Pool amenity area
