

# Sheraton Desert Oasis

# Scottsdale, Arizona

Sheraton Desert Oasis Resort offers a rich assortment of resort amenities, including a large central pool with dramatic cliff-waterfall and spa-grotto, two playgrounds, clubhouse patio with fireplace, and lush landscape using mature shade trees and palms.

Each building cluster surrounds a themed courtyard with distinct character: Palm Court, Garden Court, Meadow Court, Sonoran Court and Mountain Court.

LVA coordinated the approval of this timeshare resort through zoning approval and the Development Review Board, provided site planning and design, prepared construction documents for site-work and landscape development, and provided construction-phase administration.
