Tierra Montaña Park

Phoenix, Arizona

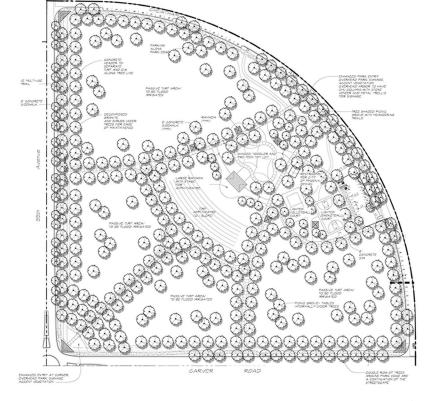

Tierra Montaña Park is part of a large master planned community, located in the Laveen Village area of Phoenix. The community park will be built by the developer and eventually turned over to the City of Phoenix Parks and Recreation Department.

Tierra Montaña

LVA's responsibilities included direct coordination with the City of Phoenix Parks and Recreation Department in the design and requirements for the park. LVA provided the layout, theming and construction documents for the park as part of the phase 1 portion of the Tierra Montana development.
