

Village on the Park

Phoenix, Arizona

Village on the Park is an urban residential enclave located along the light rail corridor on the east side of Central Avenue, north of Indian School Road. The redeveloped Holiday Inn Hotel and restaurant will be transformed into 257 for-sale condominium residences ranging from 600 to 1,300 square feet. The site not only benefits from direct access to light rail, but also to the 75 acre Steele Indian School Park and nearby shopping and employment.
